Air conditioning, alternators and starter motors, mobile services, batteries, vehicle diagnostics and ignition, accessory installations, vehicle security, dual-battery systems, off-grid battery and solar set up.

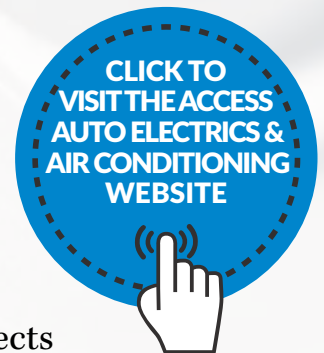

HOW LONG HAS YOUR BUSINESS BEEN OPERATING?

16 years.

WHAT SETS YOUR BUSINESS APART FROM YOUR COMPETITORS?

Our reputation for friendly, reliable service has spread across the Ashgrove region. We

have a loyal customer base and deliver auto electrical repairs to a wide range of customers. We work closely with our local mechanics to ensure we understand all aspects of our customers' vehicles and we are a proud family business that understands the importance of customer service.

DO YOU UTILISE INNOVATION OR TECHNOLOGY IN YOUR WORKPLACE?

We use the latest tools and equipment and our range of high-end diagnostic scan tools means that we can work with all makes and models, even late-model cars.

DO YOU HAVE WAYS OF SUPPORTING YOUR COMMUNITY?

We are regular sponsor of local schools and fetes and we also sponsor the Elite Breed 4x4 club.

DO YOU HAVE ANY BUSINESS ACHIEVEMENTS (OR PEOPLE) YOU ARE PARTICULARLY PROUD OF AND WHY?

We are a long-term RACQ approved repairer.
